Almost an MSc in Computer Engineering, interested in cloud computing, highly motivated and looking for an international working environment.

Experience

- Apr 2019 – **Research Assistant**, UNIVERSITY OF LUGANO, Darmstadt, Germany.
- Jul 2019 I have spent 4 months at TU Darmstadt (in collaboration with the University of Lugano, Switzerland) working on an extension of my thesis project, which will result in a paper later this year. This research was part of the *Livesoft* project, funded by the European Research Council, Agreement nr 617805.
- Sep 2016 – **Web Developer**, UNIVERSITY OF PISA, Pisa, Italy.
- Aug 2017 I contributed in developing the School of Engineering website ing.unipi.it on Joomla (credits) during my Bachelor of Science as a part-time job. I also helped improve its usability by re-arranging the content, designing a new website navigation bar and introducing infographics to help students find classrooms within the campus.
